Teamwork was the key to the team's success as each player contributed to the final outcomes. The team was led by Co-captains Donna Serino and Sharon Serino. Their leadership and abilities, along with those of Kim Carter, Julie Parsons, and Colleen Wall were the principle reasons for the team's overwhelming season. These ninth grade girls inspired the rest of the team through their own example and dedication. Eighth graders Lisa Williams and Kristin Potito did a super job coming off the bench. Susan O'Malley, Julie Bertrand, Maggie Buchan, Lisa Doucette and Nancy Thornton all demonstrated their willingness to work and desire to improve.

In the twelve game season, the team was led by Donna Serino's 168 points and 140 rebounds, Kim Carter's 117 points and 119 rebounds, Colleen Wall's 100 points and Julie Parsons' 78 rebounds. Sharon Serino was the top defensive player on the team as she continually outplayed and outlasted her opponents. Lisa Williams, as eighth grader, added 63 points and 70 rebounds off the bench.

Congratulations to each and every team member on their undefeated season.

Excellent team defense!

Always look for the rebound, Donna!

## An 11-1 Record Places Saugus Second In The Northeast Conference For The 1980-81 Season

Freshman Basketball was exciting this year, the team posted an 11-1 record. The teamwork was encouraging throughout the season, and it made, for its members, a solid, dependable unit.

The league was well balanced and provided a series of thriller-type games with very few points separating the victors from the victims.

Although the fine record stands a proud achievement, the fact that the team could hold on, or come from behind, or battle the outcome right to the final buzzer is the measure of the quality of the players. The loss to Memorial of Beverly was far from a disgrace, as we finished in second place to their undefeated season.

With a team such as this, "outstanding" or "most valuable" are terms that apply to each of the members - some consistently; all at one time or another.
